

Artist	ElidanLord
Type of Work	Diptych (2 panels)
Artwork Codes	EL-2021-042 / EL-2020-063
Dimensions	16 x 20 in (each); 32 x 20 in overall
Homology Percentage	70 %
Price USD (valuation formula)	$\text{cm}^2 \times 0.02 \times 70$
Price calculated	5780.63 USD

Curatorial Evaluation

This diptych presents a strong chromatic and gestural homology driven by deep ultramarine blues and radiant yellow formations emerging against a dark ground. The repetition of luminous organic bursts across both panels establishes continuity, rhythm, and a shared energetic field.

The works operate as autonomous compositions while reinforcing one another through balance and chromatic coherence, positioning the diptych as a unified entity suitable for gallery presentation and international auction contexts.
