

Artist	ElidanLord
Type of Work	Diptych (2 panels)
Artwork Codes	EL-2022-009 / EL-2022-010
Dimensions	18 x 22 in (each); 36 x 22 in overall
Homology Percentage	70 %
Price USD (valuation formula)	$\text{cm}^2 \times 0.02 \times 70$
Price calculated	7153.53 USD

Curatorial Evaluation

This diptych is defined by a deep chromatic immersion dominated by layered ultramarine blues and indigo fields, subtly modulated by green and violet undertones. The expanded 18 x 22 in format enhances spatial depth and fluid continuity between both panels.

Gestural textures and atmospheric transitions operate in harmony, allowing the works to function as autonomous compositions while reinforcing each other as a unified energetic system, suitable for gallery presentation and international auction contexts.
