

Artist	ElidanLord
Type of Work	Diptych (2 panels)
Artwork Codes	EL-2023-035 / EL-2023-022
Dimensions	16 x 20 in (each); 32 x 20 in overall
Homology Percentage	72 %
Price USD (valuation formula)	cm <sup>2</sup> x 0.02 x 72
Price calculated	5,945.79 USD

## Curatorial Evaluation

This diptych by ElidanLord establishes a cohesive energetic dialogue between two autonomous panels. The chromatic structure—deep greens, vibrant reds, luminous whites, and subtle yellow accents—creates a rhythmic circulation of visual energy. Gesture and texture operate in continuity, producing a balanced yet dynamic field well suited for gallery presentation and curated collections.
